Re: Letter of recommendation for Misol Construction

Miguel Paez, owner of Misol Construction, contracted with Fulton Construction Services in August 2024 to start framing and all cornice work in our Birdsong Sonoma Ranch community. Since the very first time I met Miguel, he has always presented himself in a very professional and positive manner. Misol Construction has worked hard to support our construction schedule while focusing on the details and the quality of workmanship at all stages. Miguel has proven to be a valued partner to Fulton Construction Services.

I am available by phone should you want to discuss further.
